COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

MAIL STOP AF
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

The Examiner indicated that claims 1-8, 11-21, 24-34, 37, 39, 40, 43, 45 and 46 are allowed over the prior art. This recognition of allowable subject matter is acknowledged and appreciated.

However, while the applicant(s) agree(s) that the claims are allowable, the applicant(s) do not concede that the claims are only allowable for the precise reasons stated by the Examiner. Moreover, the Examiner has identified only certain limitations of the claims as establishing patentability and Applicants contend that patentability resides in each claim as a whole.

Respectfully submitted,

Fay Sharpe LLP
